

Chimney Swift Observation Form/Survey 123

Please fill out form completely and submit as soon as your count is done. **Submitting to Survey123 (<https://www.arcgis.com/apps/dashboards/61b0c5d0a8bb4c78946523531027cf90#>) is preferred.**

Please also use eBird, if you wish, OR scan and email or mail to Fred Dike, Wis. Chimney Swift Working Group, freddmadison@aol.com, 2613 Waltham Rd., Madison, WI 53711. Fred will enter the data into Survey123. If you have any questions, please email or call Fred at (608) 469-4970.

Guidelines: Choose a likely chimney. Observe and count all swifts that enter the chimney starting about 30 minutes prior to sunset until 10 minutes after the last swift has entered. Count any evening from early August in Northern Wisconsin to mid- to late September in southern Wisconsin.

Observer Name* _____ (please print)
